

Providing **no-cost** energy audits to companies in South Carolina

Clemson IAC provides energy assessment services to manufacturing small and medium-sized enterprises (SMEs) within South Carolina.

SERVICES

- ❖ 1-day energy efficiency assessments for small and medium sized manufacturers
- ❖ Enhanced multi-day site visits for larger plants
- ❖ Industry support for IAC summer internships focused on energy-related projects
- ❖ End-user training in energy systems such as steam, pumping, compressed air, lighting, and energy management systems
